

Mastering the Art of Instrument Navigation and Pilot's Potluck BBQ

IMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building proficiency in instrument flying. Meetings occur every one to two months and use real world scenarios to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend but we ask that you have paid your IMC Club membership dues prior to attending your third meeting. The two IFR scenarios will be followed by a potluck BBQ! The last one was a feast and lots of fun.

Directions: See Map Link

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
